BRITISH CYCLING NATIONAL CIRCUIT SERIES ROAD

SHEFFIELD GRAND PRIX

A welcome from Sheffield

Professional cycle racing returns again to the streets of Sheffield

I'm delighted that Sheffield's Grand Prix returns for its ninth year and being part of the British Cycling National Circuit Series.

Sheffield will see some exciting racing from both professionals and amateurs as they race around the city centre streets.

I'd like to thank the events sponsors for the support they show, Sheffrec Cycling Club for the organisation, Sheffield City Councils events team and the band of volunteers who without them this event would not be able to take.

Not forgetting the riders and staff teams from around the country. I'm sure you will find something special in tonight's race here in our City centre, especially the cobbles.

I hope that people watching will be inspired to either take up the sport themselves, or realise that with hard work and dedication success is there to be had.

I'm aware Sheffield has a special connection with cycling being so close to some wonderful cycling country in the Peak District. I'm sure we'll all see some thrilling cycling this evening in the city centre, so I hope you enjoy the races and also your time in Sheffield.

Right Worshipful Lord Mayor of Sheffield, Colin Ross.

Sheffield City Council

SHEFFIELD GRAND PRIX

Back on a new circuit for 2023

Welcome to the 2023 Sheffield Grand Prix - the ninth edition in the heart of the Outdoor City of Sheffield.

The evening will start at 5.50pm with Youth A&B races, followed by a classic support race and the National Circuit Series for both women and men will bring the evening to a climax with the UK's top male and female riders racing around the sweeping city centre circuit. Each lap of just over 1.4km includes a cobbled section and sweeps past famous landmarks such as the Crucible Theatre and Sheffield Town Hall, finishing outside long term event partners, Browns Restaurant on Union Street.

These races could not take place without the support from our event partners, Bike Box Alan, McLaren Automotive, JE James Cycles. Trek Sheffield, Giant Sheffield, Moda Bikes and Cocker and Carr. Sheffield City Council continue to support us and we are so thankful to them for their help in planning of the new circuit and guidance along the way.

Finally, my thanks go out to the many volunteers and officials helping out in dozens of different roles.

Please pay the event village a visit with many food and drink outlets, and of course, our cycling village located on the front of the Town Hall and in the Peace Gardens. Trade stands from Giant Sheffield, Trek Sheffield, JE James Cycles, Bike Box Alan and Moda Bikes.

On behalf of everyone involved in the organising of this event, I wish all of the competitors a safe and successful evening of City Centre racing.

Marc Etches, Event Director.

BRASSERIE & BAR

BROWNS

ESTABLISHED 1973

Browns Sheffield occupies one of the most tranquil spots imaginable, given its city centre location; overlooking the award winning Peace Gardens. The bar and restaurant are set in what used to be the city's Army & General Stores, and are set in the heart of Sheffield's theatre district.

After the huge support which Sheffield showed in the recent Tour de Yorkshire, we are proud to be supporting the 2019 Sheffield Grand Prix for a 7th year. The interest and backing of the recent significant event has highlighted how sport is able to bring communities together, be it the farmers in their tractors or the city dwellers gathering on the streets.

We believe that we hold the perfect location and passion for food, drink and good old fashioned hospitality to see the smooth running of the event from start to finish.

Providing all refreshments needs for the cyclist, spectator and passer-by throughout the whole day. To finish off, we will be celebrating all those who competed and supported in this great sporting event with an after race party; we hope that you join us at some point during the day to share in the excitement.

BRASSERIE & BAR

BROWNS

ESTABLISHED 1973

A warm welcome awaits you at Browns Sheffield

The Browns building in Sheffield used to be the city's Army & General Stores.

Although we're right in the city centre, it's a beautifully tranquil spot that overlooks the Peace Gardens, an award winning public space with amazing water features and memorials.

Join us for a relaxing, brasserie brunch, lunch, afternoon tea or dinner, made with quality, fresh, seasonal ingredients. Or if you don't fancy a meal, our expert, friendly teams will look after you in our stylish cocktail bar area, where you can enjoy a crafted cocktail (or two), a glass of fine wine or Champagne and graze on some delicious bar snacks. However you spend your time in our Sheffield restaurant, you can be certain it will be time well spent.
